AWILL Story Board Comments – Take Away's

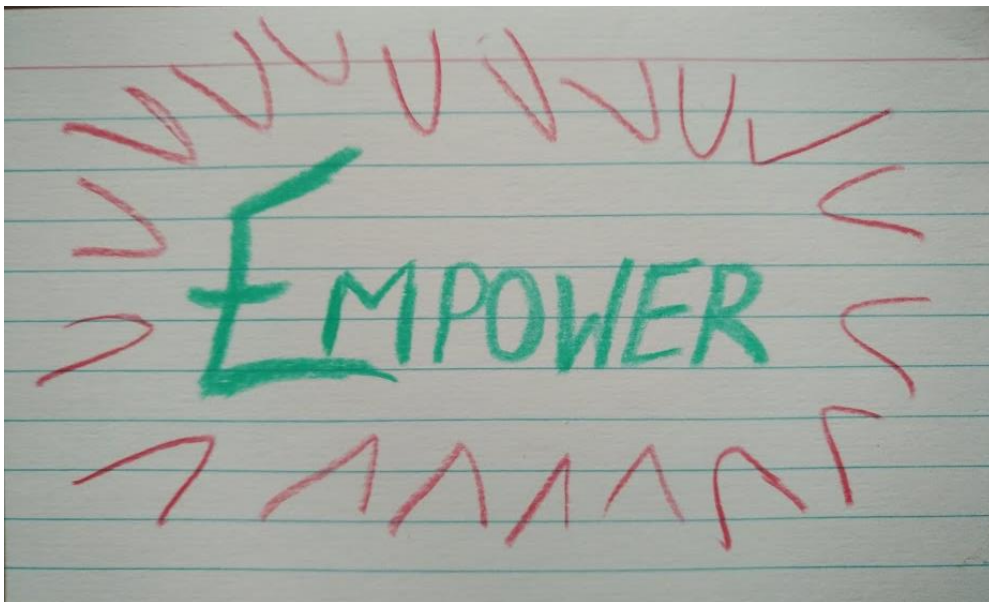

Fake it till you make it. Volume, Tone and how you say it. Eye Contact. Floor Space, pause instead of "um" Positive: changed the direction. Negative: hung on to chair

Empower. Distractions, practice, prepare pick topic (passion) slow down – don't speed talk, avoid saying "um" or distraction words. Stories are great connectors. Consider audience (age/interests, etc.) know your venue! Make your ending great !!

One of the best world's secrets. Empower people to build a capacity they need to empower other people. Visualize yourself speaking in front of the crowd. Body language. World's community.

We cannot grow and improve without constructive feedback. Evaluate everything.

Make your butterfly's fly in-formation . Communicators and leadership universal. Dynamic leadership is number one on the list of traits. Hand gestures, hold your heart speaking truthfully. The difference between speakers (gestures). How you say it speech. If your not learning you're not living and if you're not living, your not loving. Always keep growing.

Inner Strength
(even if you have
to fake it)
